BORCAD[®]

BIRTHING AND EXAMINATION CHAIR

Comfortable access to the mother
Friendly design with compact shapes
Quick and intuitive control
Very easy cleaning

BORCAD[®]

Advantages

Very easy maintenance and cleaning

Easy cleaning

Reduction of time necessary for cleaning thanks to seamless upholstery and compact, easily accessible areas.

Leg holder

Adjusting the leg holder horizontally as well as vertically using one controller and one hand

Birthing and examination positions

Easy access to the mother from all the sides is one of the main benefits of the VITA chair.

A very low access-height of the chair enables easy access to the birthing chair also for a small woman in childbirth.
